PUTNEY PIES & THE VAULT

# ALLERGEN CONTROL SHEET

PUTNEY PIES
The *finest* pies in the land

We unfortunately do not recommend that anyone with severe allergies dines with us. Whilst we can make our pies without major allergens such as gluten/dairy/egg, all of these are handled regularly in our small kitchen, and we cannot guarantee that there will not be small traces within the food.
**Please inform our staff of any allergies on arrival.**
