PUTNEY PIES & THE VAULT
ALLERGEN CONTROL SHEET

PUTNEY PIES — The *finest* pies in the land —

We unfortunately do not recommend that anyone with severe allergies dines with us. Whilst we can make our pies without major allergens such as gluten/dairy/egg, all of these are handled regularly in our small kitchen, and we cannot guarantee that there will not be small traces within the food. Please inform our staff of any allergies on arrival.
